Greetings,

Youth Singers of Calgary (YSC) is thrilled to present their annual **HEARTS OUT** fundraising gala, April 19th, at the Westin Calgary in support of YSC and their building, the ATCO Performing Arts Centre (APAC). This semi-formal evening of glamour and fun features a gourmet plated dinner, prizes, auctions, games of chance, outstanding musical entertainment, and dancing.

More than 300 guests will be in attendance to support our goal of raising \$200,000. **We are seeking a variety of items to use in our auctions, games, and prize draws.** This is an excellent opportunity to promote your business to a large and attentive audience while supporting Calgary youth.

YSC is a performing arts company and an exceptional education program with a difference. Since 1985, we have given over 10,000 young people the opportunity to participate.

"Youth Singers helps you grow as a person, not just as a performer. Everybody is so supportive and encouraging. It makes you feel like a million dollars every time you step into the studio."

APAC, home of Youth Singers, opened in 2009 after a \$1.8 million renovation of an empty warehouse. It is now a vibrant facility meeting the needs of YSC while also offering affordable rental space to both Calgary community groups and to those visiting our city.

Your generosity will ensure YSC and APAC continue to be important resources for the community, youth, and families in Calgary. Your support will be recognized in event marketing materials, as well as in YSC show programs. As a registered charity, YSC can offer tax receipts in accordance with CRA guidelines.

For more information please email [yscauction@youthsingers.org](mailto:yiscauction@youthsingers.org), or call the Youth Singers office. Thank you for your consideration of this request.
