

YOUTH SINGERS OF CALGARY MEDIA RELEASE FORM 2025-2026

I hereby grant permission for my/my child's picture and likeness, captured during public performances, events, and workshops, to be used by Youth Singers of Calgary (YSC) for promotional purposes across print, video, digital, and internet media.

I further grant permission for my/my child's picture and likeness, captured during private or closed rehearsals, events, and workshops, to be used by YSC for promotional purposes, provided advance notice of this capture is given.

Public and private YSC activities are regularly documented in full to celebrate the efforts of our participants and promote the YSC experience.

I understand that promotional materials may include photographs, video images, and/or audio recordings and may also contain summaries of my/my child's opinions, statements, or testimonials, whether expressed orally or in writing.

I acknowledge that these images and/or recordings may be used for a variety of marketing and promotional purposes and may be published without additional notification to me. I understand that I will not be compensated for these uses and that YSC retains all rights to the images, videos, and recordings, as well as any derivative works created from them.

YSC will not publish my/my child's name, social media identifiers, address, or other personal information without prior written consent.

If signing on behalf of a child, I confirm that I have reviewed and discussed this policy.
